COUNCIL PRESIDENT: Renee Hembrough

Primarily, the Student Council is the "voice" of the student body and acts as a liaison between the students and the administration. It is specifically concerned with school policy and problems. The Student Council tries to promote student awareness and involvement in all matters concerning the students.

The Council attempts to provide students with their deserved academic freedom while trying at the same time to impress upon them the importance of consideration for others, when exercising these rights. Ultimately, the aim of the Student Council has been to create a better place for people to go to school and to be proud of having graduated from Medford High School.

Class Advisers

Miss Anita Picone

Mr. William Carr

The success and happiness of a class depends to a great extent on its class advisers. Mr. Carr and Ms. Picone have helped us to achieve both of these goals. Mr. Carr, who was with us for four years, did more than his share for our class; and when Miss Picone joined us in our junior year, she added an extra dimension through her dedication and high spiritedness. The hard work done by these two dedicated people has given our class more social activities than any previous class, especially in this most important time, our senior year. They made it a year we will always look back on with the fondest of memories.

Their understanding of and their ability to relate to students are deserving of our gratitude and our appreciation. Students have come to realize that teachers can also be friends. We cannot say "Thank you" enough times to express our true feelings and gratitude to our class advisers, and our friends, Miss Anita Picone and Mr. William Carr.

We, the editors of the 1976 Blue and White, know well the frustrations and the corresponding joys of putting out a high school yearbook. We feel that the end result is a product worthy of all our efforts; we hope that you will find your yearbook enjoyable, informative, and worthy of your appreciation.

Dedication

It is most appropriate that this yearbook be dedicated to Mr. Walter G. Bezubka, who this year marks his thirtieth year of service in the Mathematics Department at Medford High School. Mr. Bezubka began his service at Medford High in October, 1946, following his matriculation at Tufts University (Class of 1939 - B.S., Ed.M. in 1940), a teaching stint at Martha's Vineyard, and military service in World War II.

For several years, Mr. Bezubka helped in the basketball program at M.H.S. by coaching the Medford Freshman basketball team. In addition he has served for many years in several capacities in both the Indoor and Outdoor Track programs at the school. An inveterate bowler, he has been for many years a mainstay in the Medford Teachers Bowling League.

In his many years of imparting the complexities and intricacies inherent in the areas of mathematics, he has treated his students with respect and understanding while trying to help them to develop the competencies so necessary for success in this field. And so, again, it is most fitting that we dedicate the 1976 Blue and White to Mr. Walter G. Bezubka - as a token of esteem for his meaningful contributions to the education of Medford youth during these past thirty years.

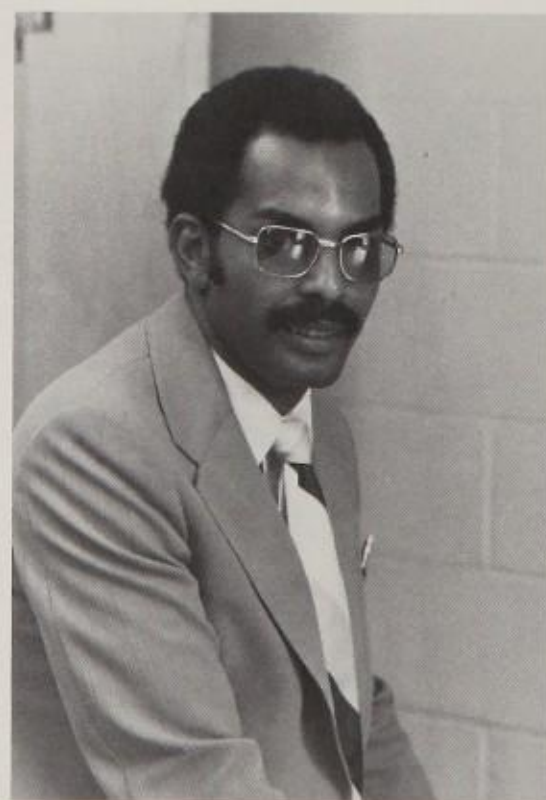

Retirement

January of this school year witnessed the retirement of Miss Martha Dubay, librarian at Medford High School since 1966. A graduate of St. Joseph College in Maine (A.B.), Miss Dubay also studied at Boston College (M.A.) and at Simmons College (M.S.L.S.). In her decade of service at M.H.S., Miss Dubay proved to be a very considerate, concerned, helpful person to both students and faculty alike. Her many services were greatly appreciated, and we extend to her our best wishes for countless happy and fruitful days in her retirement.

Bearing the administrative responsibility for an entire class is a difficult job at best. There are those who devote themselves and handle it well because of their genuine interest and concern for students. Our class was fortunate to have two submasters who possess these qualities - Mr. Fusco and Mr. Mascoll. They took our class of unsettled, unsure freshmen and guided us through four years, at times through very trying circumstances. But they stood by us and they should now be proud, for they have helped transform us into a class of mature young adults: a demanding process but a job well done.

There were times when we might have been upset with decisions made, but we came in time to the realization that these decisions were the right ones. They were not made lightly: they were made with our benefit in mind; they were made because someone cared. Their efforts have proved successful, and the impressions on us will influence our lives for many years to come. Mr. Fusco and Mr. Mascoll, we thank you.

To My Young Friends of the Class of 1976:

This is the year of the Bi-centennial, the 200th anniversary of the birth of our Nation.

It is, indeed, a significant observance in that we are even yet a young Nation as such is recorded in the annals of documented historical fact.

There are, of course, other countries in the world who are our Junior government counterparts who have patterned their national constitutions after the language of the Constitution of our own great Nation, and there are others, some even yet emerging, that are identified with the dictates of powerful population minorities in control by edict alone.

It is, however, an indisputable and refreshing fact that America, the United States of America, even now a young, strong, virile, visionary Country of inestimable potential in the worlds of today and tomorrow.

You are the inheritors of this great and formidable democracy delineated within the expressed framework of an internationally respected Republic.

It is, therefore, your charge, as it is the charge of your student peers in American high schools everywhere, to see to it that the democratic way of life, as we know it under the Constitution of these United States, is preserved for those still unborn who will one day take from you the awful mantle of responsibility that is now yours.

You may tell your children and your grandchildren that you graduated from Medford High School in the year of the Bi-centennial. Even your children may not hold claim to similar boast in like National observances within their life span.

This coincidence may mean more to you in the distant mellow of a later year in your life than it does now.

But . . . it is an historic commemorative period you share with each other and each other alone.

And so, I congratulate you on your achievement at this time in your lives, and I wish to each and all success, health, and happiness in your exciting burgeoning years ahead!

Every good thought to you from me, your friend,

 Co-Capt. Cheryl Tringale

A very determined group, the M.H.S. field hockey team finished its season with a very commendable record of 5-5-2. The team was led in scoring by Co-Capt. Cheryl Tringale. With a third place finish in league play, the team just missed out in its efforts to qualify for state tournament play. Strong contributors to the team's success were fullbacks Lisa Bucci, Gaye Cicalis, and Clara Billics; goalies Debbie Salipante and Kathy Starr; and outstanding wing Michelle Ruccolo. Congratulations to team members and Coach Valasunas for making the Mustangs into a formidable opponent in only its third season of league participation.

3 wins 5 losses

Coach Richard Lennon
 Co-Capt. Renee Hembrough
 Co-Capt. Jean Smithers

Led by Co-Capt. Jean Smithers and Renee Hembrough, the M.H.S. swimmers, under the direction of Coach Dick Lennon, amassed 3 wins out of 8 attempts. This year's team, with the largest number of swimmers ever in the short history of M.H.S. swimming, was a very hard-working group whose efforts made it a very competitive foe against all competition. Outstanding individual performances were provided by two free-stylers, Linda Fogel, only a sophomore, and Mary Judge. The great number of promising underclass swimmers on this year's team gives great hopes for future success.

X Country

Tri-Capt. Mike Linnane
Tri-Capt. Bill Lightbody
Tri-Capt. Steve Howard

With only three returning veterans, the M.H.S. distance runners finished in a very creditable third place in the G.B.L. With its largest number of runners ever, the Mustangs took part in many non-league encounters as well, garnering a total season performance of 11 wins in 15 outings. The team was led the consistently fine performance of Tri-Capt. by Mike Linnane. With outstanding success in both his J.V. and Freshman programs (both squads finished with perfect records), Coach Mascoll is obviously looking ahead to next season with eager anticipation.

Co-Capt. Mike McCormack
Coach Francis Pelosi
Co-Capt. Pete Brennan

The Mustang soccer team, under the strong leadership of Co-Capt. Pete Brennan and Mike McCormack, captured second place in the G.B.L. and again qualified for state tournament participation, losing in the second round to East Boston. Very prominent in the success of the team were the scoring leadership of Dave Pilleri, the shot-blocking of goalie Brennan, the play-making of McCormack, and the versatility of Carmine Solimini.

Congratulations to the team and Coach Francis Pelosi for carrying on the tradition of excellence that is associated with M.H.S. soccer.

A field goal by Dennis Works held up as the Mustangs opened the season on a winning note by defeating Boston Latin 3 to 0. A disappointing loss to a strong Newton club followed, despite a Works to Sweeney t.d. aerial and a Dave Pallotta 8 yd. run. The following week saw the Mustangs explode on poor Chelsea, 48 to 6, with an offense good for over 500 yds. Jeff Cataldo led the way with two touchdowns. The victory parade continued against Somerville; Tom Carr's 2 t.d. receptions and Gary Evans' inside t.d. provided the decisive scoring. A weak Revere contingent could not contain the Mustangs and fell the following week 25 to 0.

The season's low-point followed as Medford fell to Peabody, 28 to 14, despite touchdowns by Sweeney and Carr. Despite this obvious letdown, the Mustangs bounced back with their finest effort of the season, shutting out the Crimson Tide of Everett by a score of 13 to 0. A standout defensive effort supplemented by an outstanding 62 yd. run by Jeff Cataldo and another score by Dave Pallotta turned the trick. A game later, Cataldo's three scores led the team over Arlington, 22 to 14. Facing a very strong Haverhill eleven before Thanksgiving, the Mustangs inexplicably fell apart and were thoroughly defeated by the Hillies, 35 to 6.

As the Mustangs prepared for the turkey-day showdown, the team could look back upon a season with considerable pride. With 6 wins the Mustangs had displayed both strong offensive and defensive efforts to insure an overall winning record. At the same time, it had shown an unpredictability that Mustang supporters hoped would not be present when the Mustangs lined up against league-leading Malden on Thanksgiving morning.

THANKSGIVING 1975

Call it the "Mud Bowl," call it the "Game of Inches," call it "Impossible" in the most deplorable of weather conditions, the Mustangs and the Golden Tornadoes went at it in McDonald Stadium on Thanksgiving morning (a site change from Hormel Stadium which had been declared a 'disaster area') with the latter coming out on top, 14 to 8. From the moment an apparently successful 30 yd. field goal by Dennis Works was voided by the referee, it became apparent that this was not to be Medford's day. Falling behind by two touchdowns, the Mustangs battled back valiantly, but their efforts fell short to the conquering G.B.L. champions.

A courageous group of Mustangs (Barbati, Marchetti, Pirrello, Palmieri, Belcastro, Cataldo, Carr, Works, et al) walked off the field dejected, momentarily, yet secure in the knowledge that they had given the Medford partisans a season of character, pride, and success - a season to be remembered.

Under the tutelage of first-year Coach Francis (Bud) Kelley, the Mustangs won their first 6 games, including the Newton Invitational. A string of inconsistent performances followed, including a disappointing loss at home to eventual G.B.L. champion Everett. But then the Team recaptured its early season form by capturing wins in its last 5 contests, including two most satisfying conquests over earlier conquerors Arlington and arch-rival Somerville.

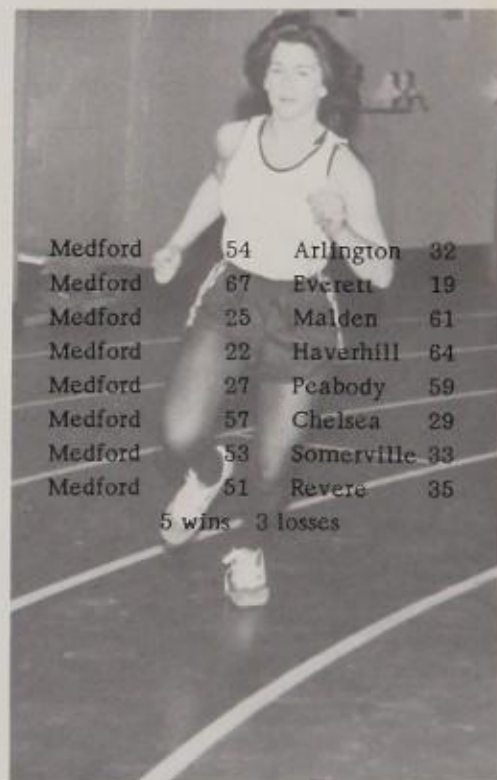

The team was led by the rebounding and scoring of its co-captains Tommy Carr and Carmine Solimini; the steady defense and boardwork of Dana Cresta; and the all-round generalship and floorwork of Gerry Martin and Mike McCormack.

We congratulate Coach Kelley and his squad on a very fine season and we wish them good luck as they prepare for participation in the forthcoming Eastern Mass. Tournament.

Indoor Track

The enigmatic tracksters, plagued by inconsistencies, untimely injuries, and various illnesses, managed a fourth place G.B.L. finish with 5 wins out of 8 meets. However, the Mustangs fared very well in the State Indoor Track Meet, finishing fourth among all Class A schools. Outstanding performances in this meet were provided by Darryl King - Class A 50 yard champion, Mike Linnane - 3rd place in 1000 yard run, and Walt Washington - 3rd place in the high jump.

Coach Lou DeAngelis' runners were capably led by Tri-Capts. Steve Sweeney, Joe Ferguson, and Darryl King. Commendations to them and their teammates on a winning indoor season.

Compiling a perfect record in its seasonal schedule, the gymnasts of Coach Joyce Pinkston ran up a perfect record while capturing the North League Championship. The team qualified 5 of its members for the Individual State Championships - Joanne Jensen and Josie Lemmi in the all-around performances; Co-Capt. Donna O'Neill in the floor exercise, vaulting, and balance beam; Lois Carew in the uneven bars; and Carla Vara in the floor exercise. In addition, the team has been rated fourth in the state with an average of 88.84, thus automatically qualifying for the coming State Team Meet.

What can one add to embellish the performances of this superb representative of M.H.S. athletics? Its performance speaks for itself. Congratulations to Coach Pinkston and her entire squad, and best of luck in its tournament ventures.

Coach Julie Doherty
Tri-Capt. Diana Furey

Failing qualification for state tournament play by one game, the hoopsters of Coach Julie Doherty nevertheless upheld the M.H.S. tradition of outstanding quality in girls' basketball by finishing very strongly with 11 wins in 16 games. The team was led all season by the excellent play of its three outstanding tri-captains. Highlights of the season included the revenge wins over earlier conquerors Malden and Everett, and its heart-warming spurt at season's end to win 5 of its last 6 outings - only to lose in the finale to Somerville, 50 to 44. Congratulations to Coach Doherty and her squad for a fine season.

Hockey

Despite three successive losses at the tail-end of its season, the Mustangs showed real determination by winning its league finale against Everett, 5 to 2. This win resulted in a 4th place G.B.L. finish and qualified the Mustangs for East. Mass. Tournament participation.

Getting off to a fast start under new coach Ron Giudice, the team did not meet defeat until its seventh game of the season. The highlight of the early season had to be a seat-squirming 2 to 1 win over potent Arlington. This win symbolized the team's style all season - strong checking, fine goal-tending, and enough offense to stay close (as witness the 5 ties).

Individually, the team was led in scoring by Co-Capt. Mike Tringale and Rollie Buoncuore; on defense by Bart Belcatro and Co-Capt. Bob Doherty; the scoring, checking, and hustle of Co-Capt. Pete Brennan, Gary Brennan, and Pete Leahy; the versatility of Mike Barbat; and the excellent goal-tending of Paul Carroll.

Best wishes to Coach Giudice and his squad as they prepare for tournament participation.

Under first-year coach Ron Zampell, the varsity swimmers managed to break even on its season, despite 3 consecutive losses to close its regular season on a frustrating note. The team did show a lot of character by bouncing back to finish second in the Conference Championship Meet.

The divers did a fine job all season, finishing 1st, 2nd, and 4th in the Conference Championships. The medley team of Capt. John Schleer, Rob Reed, Jim O'Brien, and Brian Haas was undefeated during the regular season. A consistently fine performance was provided by Rick Carey. A season highlight was provided by Freshman Andy Pallotta, who finished tenth in diving in the Eastern Mass. Championships.

Wrestling

The Mustang wrestlers, able to win only 5 of their matches, were led by the performances of Co-Capts. Paul Gentuso and Dan Granahan, Paul Kobzik, and Bob Maietta. Although not having the success it hoped for, the Mustang squad did manage to qualify three of its members for the Division One State Wrestling Tournament: Kobzik (188 lbs.), Maietta (101 lbs.), and Mark Anderson (115 lbs.).

Never failing to give a determined and spirited effort, the grapplers of Coach Bill Young were a worthy representative of M.H.S. athletes. Their enthusiasm and spirit were ample proof that a season can not merely be measured in terms of wins and losses.

A singular accomplishment is to be one of the fourteen girls who represent Medford High School as its cheerleaders. In the spring prior to their senior year they must practice three times a week. Their presence is required at all Mustang varsity contests. Weekly practices are mandatory. They have the responsibility of teaching the cheers and routines to the junior aspirants who will succeed them next year. Enjoyable, exciting, truly demanding - the senior year for a M.H.S. cheerleader.

Pom-Pom Girls

The Pom-Pom girls are a second cheering squad who lead the spirit and enthusiasm in the stands at football and hockey games as well as at Cross Country meets. They practice at least three days per week, plus all Saturday mornings during football season to perfect their half-time performance. It is certainly an accomplishment and a demanding task to be one of these 14 girls.

Students in the National Honor Society exemplify outstanding qualities in the areas of scholarship, leadership, character, and service. Members are selected by a faculty council during the third quarter of their junior year. A second election for senior students takes place during October.

The members of the faculty council for the 1975-6 academic year were: Mr. Fusco, Mrs. Dudley, Miss Coucouvitis, Miss Sencabaugh, Paul Gentuso (non-voting student representative), and Mr. Suydam, club advisor. Although a cumulative academic average of 85% or better is necessary for membership consideration, scholarship alone is not sufficient for admittance.

Led by Joseph Modica (President), Joseph Ferguson (Vice-President), Benjamin Teno (Treasurer) and Jeannette Sanderson (Secretary) this year's membership was actively involved in school and community service projects. Many of the eighty-three members provided tutorial assistance, organized student tours to area colleges, and sponsored a blood bank drive. In addition, social activities for club members included a picnic and skating party. The year's events concluded with the annual May induction ceremony and the banquet.

Italian Club

The nature of the Italian Club is to increase ethnic, cross-cultural awareness in students of Italo-American descent and/or in students of the Italian language at M.H.S.

One of the goals is to seek and participate in activities that directly relate to Italian culture, such as: International fairs, exhibitions of Italian artifacts, musical events such as opera, etc.

Another goal is to continue to develop interest in an exchange program between Italy (Rome) and M.H.S. The students are asked to be involved in making plans for the different activities and to carry them out under the advisor's direction; hoping that in the process, awareness of their very background and process of social interaction has been increased.

The Art Club has been busy and active this year, performing services for the school, and for the community. Activities include monthly art exhibits. Club members have also displayed their art work monthly, on Sunday afternoons, in connection with recitals given by the Music Dept. Members have exhibited their work at the Medford Arts Councils' Christmas fund raising fair, where four pieces of work were sold.

A large, Bicentennial panel has been completed, as a group project, and is hanging in the lobby of the front entrance at Medford High School. Art Club members have made posters for Careers Day at Medford High School, for the Medford Heart Fund, and for the Mustang News. They have entered the Boston Globe Scholastic Art Contest, and the Bicentennial Poster Contest sponsored by the Medford Rotary Club.

Field trips to museums and to art galleries are planned for the spring.

Office Education Association

The O.E.A. is a national organization involved with business, social, and financial activities. During this year its agenda has included a bake sale, bringing candy to a nursing home during the Thanksgiving season, a tour of I.B.M., a faculty Conference, and a conference in Framingham. Future considerations include Mother and Daughter luncheon, national conference at Topeka, Kansas, and an annual banquet.
